○ Fire Exit

🚫 Aerospace Bristol is a no smoking or vaping site

• Arrows are for guidance & indicate a suggested visitor journey only.
• All photography and filming conducted at Aerospace Bristol must be for personal use only. Professional or commercial photography anywhere on site is only permitted by prior arrangement with Aerospace Bristol.

FUN FOR THE KIDS

Keep your little engineers and future pilots entertained from take-off to landing...

Pick up your free Fact Finder leaflet and help Alfie Fox on his fantastic fact-finding trail.

Can you collect all of the aeroplane stamps? Grab a clocking-in card and search for the seven stamping stations

Test your riveting skills in a race against the clock and discover more interactive games

Climb aboard the aeroplane and let your imagination take flight...

...while the grown-ups enjoy a coffee!

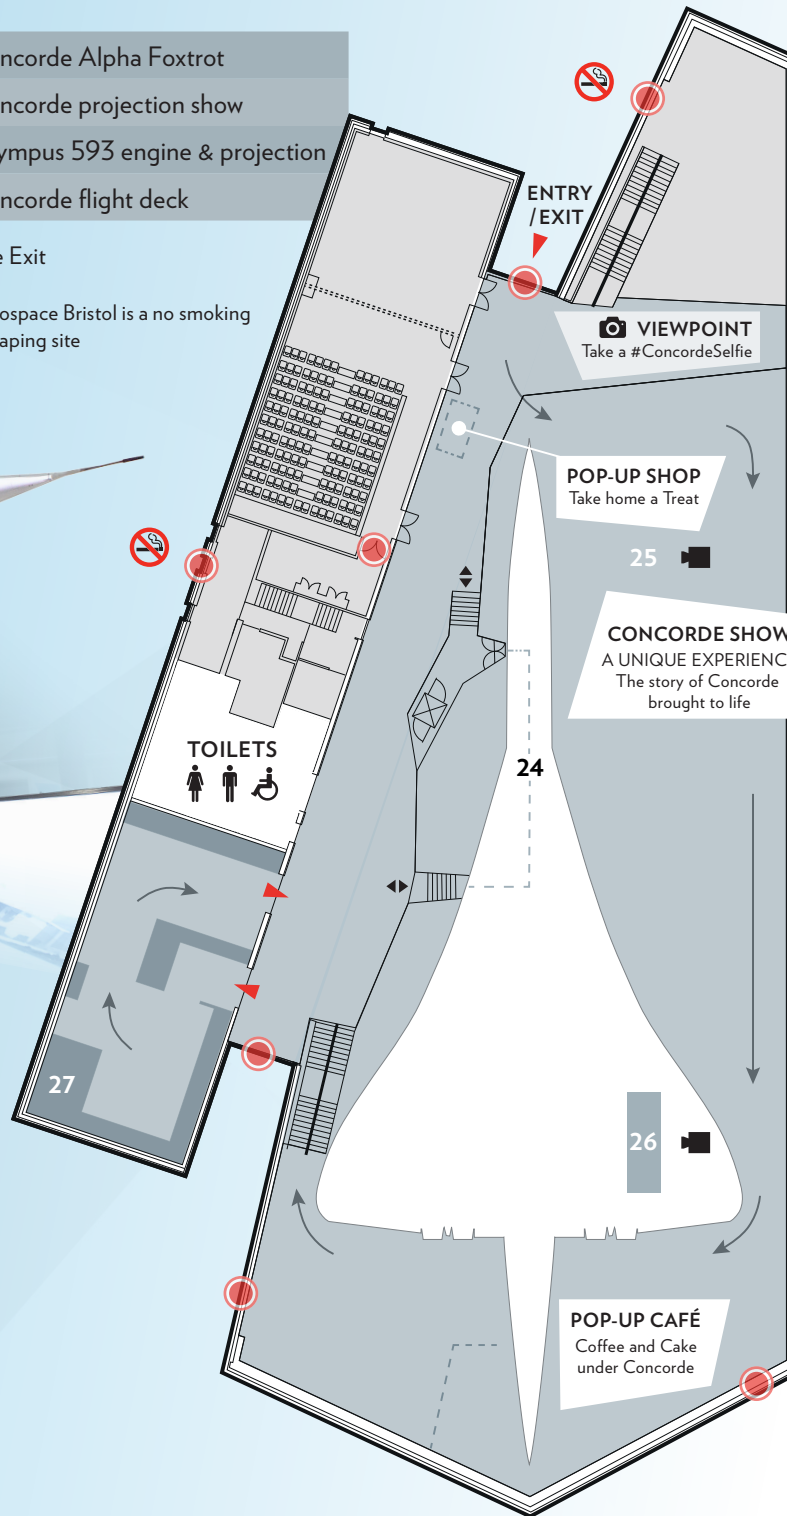

50 CONCORDE

Celebrate Concorde's 50th Anniversary in true style

- 24 Concorde Alpha Foxtrot
- 25 Concorde projection show
- 26 Olympus 593 engine & projection
- 27 Concorde flight deck

- Fire Exit
- Aerospace Bristol is a no smoking or vaping site

Sponsor your own special part of Concorde Alpha Foxtrot

- £12** Concorde's wings have sections of leading edge screws - sponsor one to receive a special certificate recording your unique location.
- £50** Give £1 for every year since Concorde's maiden flight. Receive an exclusive golden Aerospace Bristol pin badge, together with your certificate.
- £203** Celebrate 2nd March, when Concorde made her maiden flight from Toulouse. As a thank you, receive a first day cover signed by a Concorde captain, as well as all the gifts above.

We need your help to inspire the engineers of the next 50 years and beyond. To celebrate this special anniversary and see a full list of other initiatives or to offer your company's support, please visit aerospacebristol.org/concorde50 or email info@aerospacebristol.org
